2025 AND BEYOND – ASIA, THE GLOBAL HUB FOR TEXTILE MANUFACTURING & CONSUMERS

August 31 - September 1, 2023

Radisson Blu, Coimbatore, India

CITI has been organizing an annual event 'Asian Textile Conference (ATEXCON)' from 2005 onwards. ATEXCON brings together the leading players of Asian textile industry, global input suppliers and service providers to deliberate on key areas of business, including regional as well as global issues concerning this sector.

ATEXCON brings together the leading players of Asian textile industry, global input suppliers and service providers to deliberate on key areas of business, including regional as well as global issues concerning this sector. The Conference also focuses on the emerging opportunities through cross country cooperation. ATEXCON has also become an important platform for discussing the major technological advancement happening in the textile industry & raw material field and showcase the best practices in textile value chain. The event is designed to benefit the participants through direct interactions with government officials, industry, mill-owners, potential customers of machinery and other inputs.

B2B Meetings and factory visits will be organized coinciding with 11th ATEXCON.

Over 400 leading industrialists/ decision makers, diplomats, trade & technical experts, industry associations from India and abroad are expected to participate in the conference. Major European, Asian and African countries contributing to textile trade have been invited to bring trade delegations to 11th ATEXCON and to deliberate on important aspects of the textile trade.
