# About CITI Textile Sustainability Awards 2022-23

- **Confederation of Indian Textile Industry (CITI)** has been encouraging excellence across the value chain of textile production since 1993-94 through the **CITI BIRLA Awards**.
- Starting this year, an attempt is being made to expand the areas of focus, with special emphasis on Sustainability, Circularity, and Traceability.
- The pre-and-post-consumer waste, the missing economies at the drawing board, in design, and across the supply chain — all these and more are imperatives that need to be taken up with urgency.
- With the said objective in mind, the **CITI TEXTILE SUSTAINABILITY AWARDS** with **texfash.com** as Knowledge Partner, have been launched for the first time to nudge the textile and apparel industry to chart out a more aggressive path with both planet and people at the centre of all the activities.

- CITI BIRLA Awards are aimed at:
