

CITI TEXTILE SUSTAINABILITY AWARDS

# CITI Textile Sustainability Awards 2023

## Awards Ceremony Held on 16<sup>th</sup> March 2023 – Hotel Marriott – Jaipur, Rajasthan

# CITI Organised first of its kind Textile Sustainability Awards to encourage Sustainable Practices in the Textile Industry

**Jaipur, March 16, 2023** – On the Second day of 3<sup>rd</sup> Global Textile Conclave being held at Jaipur, CITI launched the first **Textile Sustainability Awards** to encourage Sustainable Practices in the Textile Industry.

The Confederation of Indian Textile Industry (CITI) has been promoting excellence across the textile value chain since 1993-94 through the CITI BIRLA Economic & Textile Research Foundation Awards. This year, CITI expanded its areas of focus with a special emphasis on sustainability, circularity, and traceability.

In order to encourage the textile and apparel industry to chart out a more aggressive path with both planet and people at the center of all activities, CITI launched the first-ever CITI Textile Sustainability Awards with [textfash.com](http://textfash.com) as the Knowledge Partner.

The objective of the awards was to recognize efforts being made toward sustainability and to incentivize others to tread the same path. The broader objective was to trigger a cascading effect of innovation and pragmatic work.

CITI Textile Sustainability Awards were given across three categories: Progress Towards Sustainability, Expanding Circularity, and CITI Reverse Resources Sustainability Awards for Recyclers 2023.

M/s RSWM Ltd – LNJ Denim, M/s Pratibha Syntex Ltd and M/s Usha Yarns Ltd respectively were adjudged the winners in the above categories.

The awards were judged by eminent experts in standards, accreditations, reporting, industry practitioners, and subject matter consultants.
